

# ENTWINED LOVE - CHAPTER 2

Entwined Love (<https://www.sanyuktashrestha.com/collections/wedding/bridal/entwined-love/>) gave a whimsical take on Beauty in Diversity. The world is beautiful because it is diverse and diversity is the beauty of this creation. That's the beauty we have encapsulated in our #sanyuktashrestha 'Entwined Love Chapter- 2' collection. The puzzle that is 'Designed for You, Inspired by You'; the collection for the modern bride, where Sanyukta Shrestha brides from various cultural background inspired the subtle innovation.

From eco devotees to the committed Sanyukta Shrestha brides, the creative juices of inspiration are flowing as soon as head designer meets the women who put forward their personality into creating a gown exclusive to themselves, ultimately embracing their uniqueness. Entwined Love-chapter 2 is the ultimate nod to the extraordinary women whom Sanyukta shared their wedding journey with. The Designer has paid the ultimate tribute to the many multicultural/multinational brides by immortalising them, naming each design after a special bride: Sarah, Dhanistha, Candice, Francesca, Jamie, Maddy, Chloe, Hafida and Martha to name a few!

*"With their own set of needs, hopes cultural diversity and insecurities for the wedding dress, we work together to dissolve their fears and heighten their attributes; resulting in the dream dress coming to life. Whether she wants to celebrate her waistline with a tulle skirt over trousers or maintain a minimalist aesthetic in a slinky gown underneath a ball gown silhouette, The Chapter 2, is for the fashion forward bride with a clear vision to showcase their individuality"- Sanyukta Shrestha, Founder & Creative Director adds.*

#SanyuktaShresthabrides (<https://www.instagram.com/explore/tags/sanyuktashresthabride/>), come from all walks in life. Some are eco-fashion devotees, some are looking to create one off bespoke piece, some are vegans desiring an animal friendly gown while others are marrying in a same-sex ceremony looking for an all-in-one to wow their congregation. It was their collective uniqueness and individuality that created Sanyukta Shrestha's most innovative collection to date; taking their style and adapting to suit their own aesthetic and goals. It is the versatility of the collection that makes Entwined Love: Chapter 2 a bride's dream collection.
