About this item

- MULTI-CONNECTION: With a variety of connection options, the D40 allows you to use them as computer speakers and gaming speakers as well as TV speakers. If you want to relax to your favourite sounds over SD card or USB stick, the D40 allows you to play up to 64GB. Alternatively, you can connect using AUX input to enjoy music from your MP3 player using the 3.5mm.
- BLUETOOTH 5.0: Experience superior audio using the powerful sound.
- HOME ENTERTAINMENT: Whether you want to binge on your favorite action-packed movies or enjoy vinyl on a turntable player, the D40 Active Speakers will blast out your favorite sounds using the provided AUX or RCA cable plus enjoy the option of private listening with the headphone jack.
