British Wintertide by Alexandra Harper

Summer is well and truly over, so it's time to embrace the autumn and winter season. So ladies, that means it time for layering up, tweed, ankle boots and preparing for the party season of the colder months, as well as winter wonderland wedding season! And what better way than by enjoying one of the biggest British traditions than the magnificent world of millinery!

After collaborating with The Walt Disney Company UK for a Maleficent-inspired collection and taking part in British Fortnum & Mason's honoured Millinery Fortnight, hat designer Alexandra Harper, is now officially stocked by the double royal warranted London department store for her Autumn/Winter 2014 collection, British Wintertide. Think clustered feathers, leather bows, high reaching jinsin loops, vintage veiling and houndstooth in a muted palette of earthen hues with a hint of rich jewel tones. Pricing ranges from £200.00 – £2,000.00.

Alexandra says, "So many words come to mind when I think about Fortnum & Mason: British, luxury, quirky, traditional, quintessential...and when I look at my British Wintertide collection those same words come into play. I am incredibly delighted that the collection is stocked at Fortnum & Mason."
