Spotify Connect

Designed for the modern audio enthusiast, the Majority Homerton 2 allows you to experience every genre of music with the touch of a button. Enjoy the next level of music streaming via Spotify Connect. Experience a richer sound quality without audio compression, with your smartphone acting as a remote control. No longer restricting you by distance to the device, you can leave your phone wherever you like and still enjoy your favourite sounds! The stream comes directly from the internet and delivers all your favourite sounds at a much faster rate.

DAB Radio

Resulting in 72.2% of digital listening, DAB radio is THE top choice for any radio listener! With a wider range of channels, live stations and track information, plus a better quality of connection and sound, the Homerton 2's DAB radio feature makes the all-in-one system a must-have for any home or office with a passion for music!

All-in-One Media Centre

The all-in-one media centre, featuring a built-in CD Player, is home to multi-connectivity options. With Wi-Fi connection for Internet Radio, 5.0 Bluetooth to stream everything from music apps to audiobooks, and USB for MP3 playback. Simply pair your smart device to the Homerton 2 and surround yourself with your favourite sounds.
