Spotify Connect

Designed for the modern audio enthusiast, the Majority Bard allows you to experience every genre of music with the touch of a button. Enjoy the next level of music streaming via Spotify Connect. Experience a richer sound quality without audio compression, with your smartphone acting as a remote control. No longer restricting you by distance to the device, you can leave your phone wherever you like and still enjoy your favourite sounds! The stream comes directly from the Internet and delivers all your favourite sounds at a much faster rate.

The Latest Frontier Platform

Frontier is a pioneer in technologies for connected audio and the market leader in DAB+ radios and Smart Radio solutions. Powering over 50 million devices worldwide, Frontier offers the largest range of features and a seamless user interface.

Teaming up with the Cambridge-based innovators of audio connectivity, the Bard Internet encompasses Venice X for an easy-to-use solution that combines the reliability of DAB+ with Internet radio, podcasts, and music on demand from the Internet.

The module also supports a full-colour display. Frontier provides modules pre-installed with software which can be configured to customer requirements. Frontier provides the Venice X

DAB+ Radio

DAB+ radio is quickly becoming the top pick for any and every radio enthusiast- as of July 2022, over three-quarters of digital listening is DAB+ Radio! With a wide range of channels, plus better sound quality, the Bard's DAB+ radio feature makes this radio adapter a must-have for any home or office.

Podcasts

Smart Radio

With a globe of radio stations at your fingertips, the Bard is your portal to access the top 10 radio stations for every country around the world. Simply search by continent, country, genre, and station name and soon you'll be connecting to over 25,000 radio stations to explore a wide range of topics! Once you've found your favourite stations, take advantage of the Bard's 40 radio presets to save the best of the airwaves.

Podcasts

The built-in subwoofer offers a powerful and dynamic bass to transport you into your home entertainment. Designed for the audio enthusiast looking for room-filling sound, the Bard's mighty subwoofer unleashes a powerful sound to knock your current home audio out of the water.

Internal Subwoofer

Lose yourself in the wonderful world of podcasts with a click of a button. Whether you want to tune into travel stories from across the globe or listen to industry experts review the latest Hollywood blockbusters, search for your favourite podcast, and fill the room with back-to-back podcast episodes.
