#LIVINGOFFTHEWALL New Documentary Series by Vans

Vans are famous for their shoes, worn by celebrities from Pharrell Williams to Kristen Stewart, they work as well in a moshpit with a beer in your hand as it does skating on the Southbank. Vans have just created a documentary series entitled #livingoffthewall. The documentaries are a celebration of their inspirational commitment to creativity and originality.

Since 1966, Vans has sought to enthuse anyone for whom creativity matters whether you're a guitarist rocking out at The Alleycat or an art student contemplating life at The Monarch. They are inspired by those who as Lady Gaga puts it 'creativity is religious'.

The first documentary "East Los" by Angela Boatwright has an inspirational realness and rawness about their world of punk rock. This is something NOT to be missed. Take a look at that [here](#).
