Meadows In the Mountains Festival – Bulgaria

The hills are alive with the sound of music, well actually the mountains, specifically the Rhodopean Mountains lying in the striking Bulgarian countryside this 13-15th June. Meadows In The Mountains Festival is celebrating it's 4th anniversary, even greater than before, with a broader variety of music and an exhibit of creative art inventions across three days located in one of the most breathtaking location Europe has on offer!

Over the course of 3 incredible days enjoy an intimate culture celebrating the finest Disco, House, Electronica, Acoustic, Jazz, Funk music with the line-up to be announced shortly. Along side the selection of music you can enjoy Horse & cart taxis, mountain zip line, downhill grass bobsleighbing and waterfalls to name a few...

So I think we owe it to ourselves to shed our daily problems, shrug off the repetitiveness of the 9-5 lifestyle and give into the temptation of a weekend of being young and free at the Meadows in the Mountains Festival!
