READ Marriott Hotel's Book Of The Month

The time has come to live out your literary fantasies and rub elbows with some of the best authors around because the London Marriott Hotel County Hall located on the beautiful South Bank are teaming up with publishers Pan Macmillan to launch their first Book of the Month.

Starting in April, the hotel will be working with Pan Macmillan to propose a book to guests as well as chances to meet the author, book signings and readings.

With a view of the London Eye and Big Ben, Book of the Month is kicking off with 'Frog Music' by internationally celebrated author Emma Donaghue.

Why not take advantage of the opportunity to read Donaghue's work; Frog Music seems to be a book not to be missed with fellow Irish writer, Colum McCann commenting on Frog Music that *"Emma Donaghue is one of the great literary ventriloquists of our time. Her imagination is kaleidoscopic. She steps borders and boundaries with great ease and style. In her hands the centuries dissolve, and then they crystallize back again into powerful words on the page."*
